Mr. D. U. Donaldson of the Indian River Chapter gave a demonstration recently on growing and showing prize hibiscus for the Indian River Garden Club's annual flower show. He was the only thorn among the roses but he made quite an impression as well as the fine bloom he took with him.

OFFICIAL NOTICE:

There has been a resolution submitted requesting the abolishment of the "Commercial Membership" in the AHS at the Annual Meeting this year. The by-laws will have to be changed. The only way this can be done is for the membership to so vote at an annual membership meeting after written notice has been given of the

intent to make the change.

This is that written notice. You will also receive a copy of the resolution along with the mailing for the hotel reservation blanks.

This will be the only change in the by-laws (if the membership votes to make the change) this year. Be on hand at the Annual Membership Meeting to make your wishes known.

REGISTRATION FEE

There will be a $1.00 registration charge at the Annual Membership Meeting this year. Don't worry, you will redeive far more than your bucks worth. For the buck you will recieve the following:

A souvenir pen
A ticket for the Plant Raffle (No others will be sold)
A free pass to Cypress Gardens
A free pass to Slocum's Water Gardens
A free drink in the Purple Tree (Hotel Bar)
A discount at Monroe's Hibiscus Nursery
And maybe more by the time the date for the meeting arrives.

The money taken in will pay for the hospitality hour and if any is left it will be set up in the fund the same as the plant raffle money was in the past. This fund is to be drawn on when needed to organize new chapters.

There is nothing compulsory about the $1.00 charge. If you don't want to pay it you just don't get the ticket book. Where could you get more for a buck?
